The auto-entrepreneur, now officially called micro-entrepreneur, is a sole trader or one-person business, registered under the entrepreneur ' s name. As such, there is no distinction between the owner and the business, meaning the entrepreneur is liable for the debts generated by the business.

What is an auto-entrepreneur? - Start Business in France

Here in France, setting up a business usually involves a ridiculous amount of paperwork and bureaucracy. One of the few exceptions is the micro-entrepreneur status, which used to be called auto-entrepreneur. Becoming a micro-entrepreneur is a great option whether you want to be self-employed, freelance or offer a service as a side gig.Unlike in the U.S., you must set up this status BEFORE you ...

English language guide to l'auto entrepreneur updated. SINCE the turn of the year it has been estimated that around 120,000 people have signed up to the l'auto-entrepreneur system that makes it easier for individuals to start up a small business, without facing massive costs. The system allows new start-ups to pay tax and social charges each month based upon their turnover and so alleviate some of the burdens of running a business.

English language guide to l'auto entrepreneur updated

English language guide to l'auto-entrepreneur system. A KEY reform of the French business system is the launch of the l'auto-entrepreneur system that should make it easier for individuals to start up a service, without facing massive costs. In the past small businesses have found it difficult to pay social charges and taxes as figures have been based on government projections, leaving many with bills before they have earned a centime.
