Guide for vw_special_function operation - SlideShare
VW knows this, but isn't admitting it. The affected controllers are no longer available as replacement
parts, they have been superceded by a new part number -- 1C0-909-605-A which appears not to have this
problem. 2 Erasing Learnt Values Old learnt values are erased from Engine ECU

The 'coming home' and 'leaving home' functions are designed to improve your convenience and comfort. When you get out of your car, various lights, including the dipped-beam headlights, courtesy lights in the exterior mirrors, rear lights and number-plate lighting, all stay on for a short while before they are switched off automatically.
