HELLO is a conduit of kindness and information, connecting individuals and businesses with elders and providing tools for community members to engage with and illuminate the lives of our elders. We operate on the intent of making life better, first and foremost for those elders we're reaching out to, but also to those volunteers who go forth with compassion and answers.

Hello Tomorrow is a reference when it comes to deep tech and emerging technologies. For the past 6 years we've run our own Global Challenge, covering all industries. Today, it represents a close and qualified network of more than 6,000 deep tech startups, in addition to an extended network (all applicants to the past Challenges) of about 15,000.
