HEX, by Thomas Olde Heuvelt, is one of the most intriguing, thought-provoking novels I've read lately. The central idea concerns the modern-day town of Black Spring, NY, and a 17th century witch that appears to all the residents--even inside their homes--at all hours of the day. Anyone that moves into the town is likewise "trapped" there for the rest of their lives. They are able to leave the ...

Announcing *Echo*, a New Novel from Thomas Olde Heuvelt ...

Thomas Olde Heuvelt (1983) thus broke with all nonexistent Dutch horror traditions when, first, in 2013 his novel *Hex* caused a stir for being a thoroughly unsettling, well-written horror novel set in a twenty-first-century Dutch town, and second, when in 2015 he won a Hugo Award. 2015 was an astonishing year for these science fiction and fantasy awards: for the first time ever, the winners included translated works.
