High Flyers Guide To Leafleting Shove Your Way To Property ...

Leafleting Leafleting is a popular marketing method for small businesses - and for good reason. Door-to-door marketing is simple and affordable, and can bring in new customers and boost sales. Also known as door-drop marketing, leafleting involves delivering unaddressed flyers to homes in your area.

Leafleting overview | Marketing Donut

Flyer design best practices. Following are a few top tips to help you make the most of the space on your leaflets: 1) Work out your message and what you want your flyer to achieve. While it is fine to have multiple goals don't overdo it otherwise your design could end up confused. 2) Identify your target audience. Knowing who your leaflet is aimed at will help you to select the visual elements that are most likely to appeal to them.

The Direct Marketing Association has carried out extensive research in an attempt to give you a good idea of what to expect from your flyer distribution campaign: "A key finding is that 89% of consumers remember receiving a door drop mailing - more than any other marketing channel. And it has a powerful place in people's lives, with 45% keeping leaflets on a pinboard or in the kitchen drawer".
