Description: Here for sale is my much loved but never used Honda. She has been dry stored for over 6 years and not used and has genuine low mileage of only 6721 miles! She has been started up regularly, has a new battery and has clean petrol and was taken for a run recently and rode like brand new! The new owner will probably want to do an oil change, but there is no known reason why she won't sale through an MOT, as she has done every other time.
