Horizons 5th Edition French Textbook - bitofnews.com
The book explains language pretty well. But let's be honest: you're not buying this book because you want to learn french. You're buying it because it's on a booklist. Buy it used. Seriously. Don't let the bookstore's online component combo scare you away. You can buy the book used then buy a 3-term quia pack for like \$60. That's it. Bon chance!
