In brief, impact means to hit something. Influence means to change the conditions for something. Affect, the verb, means to be influenced. Effect, the verb, means to influence something else.

[What's the difference among, "impact", "influence" -](#)

We can also help people influence more consistently - whether they're meeting a colleague for the first time, pitching to a long-standing customer, or seeking buy-in from the board. Some people aspire to more than impact - they would like to have presence, charisma and gravitas, so they look and sound the part in a senior role, or are credible to others at Director or C-Level.
