Open, Append, Read, Write~~

The modes are: 'r' – Read mode
which is used when the file is only
being read 'w' – Write mode
which is used to edit and write
new information to the file (any
existing files with the same name
will be erased when this mode is
activated) 'a' – Append mode,
which is used to add new data to
the end of the file; that is new
information is automatically
amended to the end
