Art History

The public realm refers to publicly-owned streets, parks and rights-of-way, which is where buildings are situated. Architecture clearly meets this definition. All of us, as the public, interact with architecture. We are affected on a practical and emotional level by both the way a building appears in its context and

Read Free How We Do Both Art

The definition of art has been debated for centuries among philosophers. ” What is

art? ” is the most basic question in the philosophy of aesthetics, which really means,

“ How do we determine what is defined as art? ”

This implies two subtexts: the essential nature of art, and its social importance (or lack of it).
