Because cats are such smart, sentient creatures, they can have a long list of likes (and, perhaps, an equally long list of dislikes!!) In most cases, the things your cat loves are the very same things you love—like fresh, tasty food, long naps in cozy spots, and plenty of fun activities, to name a few.

My cat loves them, to the point where she will not eat her normal food. (Which is very bad) I use to give my cat a couple of them every other day (I would buy her 1 pack every year, so it's not like she's getting them every other day of her life) We would obviously give her the regular cat food as well, but she started being sick.

Synopsis. A graphic designer in her mid-twenties, Sol Ah ( Shin Ye Eun) harbors dreams of becoming a web-based comic author and has always had a love-hate relationship with cats. But Sol Ah’s life changes fast when she brings home a friendly feline. It turns out, however, that this is not any old cat. Named Hong Jo, he can take human form (and is played by Kim Myung Soo, aka L of K-pop boy band Infinite).
