The British Empire was composed of the dominions, colonies, protectorates, mandates, and other territories ruled or administered by the United Kingdom and its predecessor states. It began with the overseas possessions and trading posts established by England between the late 16th and early 18th centuries. At its height it was the largest empire in history and, for over a century, was the ...

Thomas Simmons's *Imperial Affliction* is an intimate and personal study of a number of eighteenth-century poets (and prose writers) and some of their modern readers. It is at the same time ambitiously broad in its frames of reference. Unusually frank acknowledgements align the process of writing *Imperial Affliction* with a belief that life and
