Improving Survey Questions:

Design and Evaluation by Floyd ...

A good survey question is asked in a precise way at the right stage in the buyer ' s journey to give you solid data about your customers ' needs and drives. The format you choose for your survey—in-person, email, on-page, etc.—is important, but if the questions themselves are poorly worded you could waste hours trying to fix minimal problems while ignoring major ones a different question ...

10 tips to improve your online surveys | SurveyMonkey

- It ' s usually best to ask any sensitive questions, including demographics (especially income), near the end of the survey.
- If you are asking a series of similar questions, randomizing the order respondents hear them can improve your data.

Filtering and Branching Respondents should only be asked questions that apply to them.
