~~Inclusion Works
Economic Opportunity
Strategic~~

The aim of the inclusion strategy is to accelerate the transition of countries towards inclusive market economies by harnessing the power of the private sector to create economic opportunities for all. In this context, the EBRD will strengthen its project and policy activities to enhance access to economic opportunity for women, youth and regions.

~~Economic inclusion~~

Read Free Inclusion Works Economic Opportunity

The guiding vision of the Economic Inclusion Strategy is to accelerate the transition of countries across the EBRD region towards inclusive market economies by harnessing the power of the private sector to create equitable access to equal economic opportunity and thereby foster the political and social sustainability of market economies.
