Steps to Update the
System Software Using
a PC or Mac, create a
folder named "PS4" on
the USB drive formatted
as FAT32. Inside that
folder, create another
folder named
"UPDATE". Visit the
PS4 System Software
Update page, download
the update file and save

Where To Download

it in the "UPDATE"
folder.

*PS4: Update System
Software Manually*

Update summary • A
flash drive with a
capacity of 4 GB or
more is required, with
no other files present on
the drive. • The update
will take about 30-35
minutes to complete.

We recommend you

Where To Download

start the update on a longer journey.
