International Relations Since 1945: A Global History ...

Global Histories in International Relations. As students of International Relations (IR) have increasingly turned to historicizing the international, historians have opened up their discipline to international, transnational and global circuits and connections. [1] Global History, in particular, has figured in debates within the discipline of history to the extent that observers note a "boom" [2], "trend" [3], and "turn" [4].

International Relations Since 1945: A Global History by ...

Offered by University of Virginia. This is a survey of modern history from a global perspective. Part One begins with the political and economic revolutions of the late 1700s and tracks the transformation of the world during the 1800s. Part One concludes as these bewildering changes seem to be running beyond the capacity of older institutions to handle them.

The Modern World, Part One: Global History from 1760 to ...

Beginning with 1492, it traces how the world became increasingly integrated and connected – economically, politically, militarily and socially. The course begins by asking what we might mean by ‘global history,’ and then considers global phenomena including empire, slavery, colonialism and revolution, through primary and secondary sources.
