– Behavior of a consumer largely depends on interplay between inner self and outer stimuli. Consumption decisions made in the market cannot be viewed as an independent event – it is closely related with values and social relationship and cultural allegiance. With globalization, culture becomes predominantly important strategic issue in market that has to be faced and properly managed.

is a fully peer-reviewed journal and a leading venue for scholarship committed to rethinking cultural practices, processes, texts and infrastructures beyond traditional national frameworks and regional biases. Established to revitalize cultural studies against the dangers of parochialism and intellectual ossification, the journal interrogates what culture means, and what culture does, across global and local scales of power and ...

International Journal of Cultural Studies: SAGE Journals UGC (university grants commission) was modeled after the University Grants Committee of the UK that had the same duties of keeping the higher education in check. UGC was originally created to oversee the major universities of India. The universities of Calcutta, Bombay (now Mumbai) and Madras were set up in 1857, after that the University of Allahabad was established in 1887.

IJCH - International Journal of Culture and History

Indian society has been tolerant of diverse sexual identities and sexual behaviors as is evident from its mythologies and ancient scripts like the Kamasutra. The transgendered hijra community has evolved to form a unique subculture within Indian society, existing alongside the ubiquitous heterosexual family. This subculture has been clandestine about its customs and lifestyle, but the scene is ...
