VASCULAR/INTERVENTIONAL STUDY GUIDE Note: The examination for those who are recertifying their subspecialty certificate (CAQ) in interventional radiology and for those who choose three to four modules in interventional radiology will have greater depth and breadth than the examination for those choosing one to two modules.

### ~~Study Guide For Vascular Intervention Registry~~

Led collaboratively by the Society of Interventional Radiology (SIR) and the American College of Radiology (ACR), the registry collects process and outcome measures for image-guided interventional procedures using structured report templates developed by the SIR. This approach standardizes data across facilities so that participants can receive aggregated reports benchmarking their performance against similar facilities, helping improve quality and patient safety.
