Journal Rankings on Computer Science

Medical Science Monitor (MSM) established in 1995 is an international, peer-reviewed scientific journal which publishes original articles in Clinical Medicine and related disciplines such as Epidemiology and Population Studies, Product Investigations, Development of Laboratory Techniques :: Diagnostics and Medical Technology which enable presentation of research or review works in overlapping ...

ISI - Journals

The Journal of Computer and System Sciences publishes original research papers in computer science and related subjects in system science, with attention to the relevant mathematical theory.

Applications-oriented papers may also be accepted and they are expected to contain deep analytic evaluation of... Read more.

Journal of Computer and System Sciences - Elsevier
Journal of Mathematics and Computer Science (JMCS) Online: ISSN 2008-949X Journal of Mathematics and Computer Science-JMCS (J MATH COMPUT SCI-JM) is an international research journal devoted to the publication of significant articles in all areas and sub-areas of mathematics and computer science with applications.

Journal of Mathematics and Computer Science-
The international journal published by ComSIS Consortium. ComSIS publishes original papers of lasting value covering both

theoretical foundations of computer science and commercial, industrial, or educational aspects that provide new insights into design and implementation of software and information systems. ComSIS also welcomes surveys papers that contribute to the understanding of emerging and important fields of computer science.

ComSIS | Computer Science and Information Systems
Journal of Computer Science is aimed to publish research articles on theoretical foundations of information and computation, and of practical techniques for their implementation and application in computer systems. JCS updated twelve times a year and is a peer reviewed journal covers the latest and most compelling research of the time.

Journal of Computer Science | Science Publications
SCIE: The Science Citation Index Expanded (SCIE) is a bibliographic database originally created by Eugene Garfield, produced by the Institute for Scientific Information (ISI), and now owned by Thomson Reuters (TR). The company that releases the journal impact factor every year.

How to Identify SCIE and Scopus Indexed journals? - 2020 ...
The Master Journal List is an invaluable tool to help you to find the right journal for your needs across multiple indices hosted on the Web of Science platform. Spanning all disciplines and regions, Web of Science Core Collection is at the heart of the Web of Science platform.
