Joseph E. Stiglitz - National Bureau of Economic Research

Joseph E. Stiglitz. This paper analyzes the economic impact of the pandemic, providing insights into the consequences of alternative policies. Our framework focuses on three key features: (a) Covid-19 is a sectoral shock of unknown depth and duration affecting some sectors and technologies more than others; (b) there are constraints in shifting resources across sectors; and (c) there is a high level of uncertainty about the disease and its economic aftermath, inducing a high level of ...
