Jurisprudence, or legal theory, is the theoretical study of law. Scholars of jurisprudence seek to explain the nature of law in its most general form and provide a deeper understanding of legal reasoning, legal systems, legal institutions, and the role of law in society. Modern jurisprudence began in the 18th century and was focused on the first principles of natural law, civil law, and the law of nations.

iii) LEGAL THEORY :- Legal theory is concerned with law as it exists and functions in the society and the manner in which law is created and enforced as also the influence of social opinion and law on each other. It is therefore necessary that while analysing legal concepts, and effort should be made to present them in the background of social developments and changing economic and political attitudes.

POSITIVE LAW THEORY. Positive law theory is also called, imperative or analysts law theory. It refers to the law that is actually laid down by separating “is” from the law, which is “ought” to be. It has the belief that law is the rule made and enforced by the sovereign body of the state and there is no need to use reason, morality, or justice to determine the validity of law. According to this theory, rules made by the sovereign are laws irrespective of any other considerations.

Benford's law, also called the Newcomb–Benford law, the law of anomalous numbers, or the first-digit law, is an observation about the frequency distribution of leading digits in many real-life sets of numerical data. The law states that in many naturally occurring collections of numbers, the leading digit is likely to be small. For example, in sets that obey the law, the number 1 appears as ...

Legal Positivism - Law Teacher

Natural law theory like legal positivism has appeared in a variety of forms and in many guises. One of the most elaborate statements of natural law theory can be found in Aquinas who distinguished four types of law: eternal, divine, natural, and man-made. So, according to Aquinas, eternal law reflected God's grand design for the whole shebang.
