Labor Relations and Collective Bargaining: Private and ...

Contract bargaining in labor relations is one of the most complex areas of negotiation and dispute resolution. There are rarely clear cut or mutually agreed upon notions of what a fair salary and benefits package would be, so employers and workers, either individually or collectively, often find themselves at odds. Furthermore, contract bargaining in a unionized setting is rarely limited to questions of compensation.

Labor Relations: Negotiating Collective Bargaining ...

During the collective bargaining process the labor union and the employer try to hash out labor relations differences. The goal is for a positive resolution of labor relations disputes between employers and employees. Positive labor relations are good for the economy and for the consumers. Settlement of these difference
