Those complaining that this book doesn't detail every day in the last seven months of Anne's life need to stop and realize that the only person with her all that time also died. Millions died. That the author of this book found six women who had spent any time with Anne is remarkable. Expecting to know what happened every day is simply not possible.

The Last Seven Months of Anne Frank. By: Willy Lindwer. Reviewed By: Shannon Day (about the author) (back to main page) In The Last Seven Months of Anne Frank, Willy Lindwer presents the transcripts of six indepth interviews with women who survived the Holocaust that he used to create a documentary film. Some of these women knew Anne and her family as children, and some first met Anne and her mother and sister in camps.
