**Focus On Trust: Successful Leadership In Times Of Crisis**  
The real test of leadership does not occur when everything is smooth sailing. Rather, leadership is oftentimes tested during a crisis. The way a leader behaves and acts during a crisis will establish their credentials as a good leader or a poor one. That being said, there’s no handy manual out there that can guide a leader through a crisis.

**Leadership In Times of Crisis: How To Lead Efficiently**  
“What works during normal times is often not what works during a crisis. Leaders need to show flexibility in their leadership style. They need to see the crisis not as a threat to them but as an opportunity to grow and learn as a leader, and provide adequate support for their people.” Address short-term problems while considering the long-term
