Leading with Sense: The Intuitive Power of Savoir-Relier ...

Few leaders dare to claim that their "gut feelings" are critical to their decisions. But, by engaging their intuition, they are able to draw on experience, better appreciate their environment, build confidence, and summon the courage to tackle the task at hand. Leading with Sense trains readers to be poets and translators in the business context. With savoir-relier, we can write our own stories, deciphering the challenges that we face with acumen, humility, and respect.
