Taking the time to notice and savour small moments throughout your day is a great way to learn how to slow down. Practice noticing, appreciating and savouring your coffee or tea as you drink it. Instead of checking your phone or drinking it while doing something else, try to be present for the experience of drinking your favourite drink.

~~How to Slow Down: 20 Simple Ways to Slow Down & Enjoy Life~~

Synopsis. In this new, third edition of Learning to Slow Down and Pay Attention, the authors have made a number of changes to reflect changes in understanding of ADHD and in our approach to its treatment. For example, in response to growing research on the safety and efficacy of stimulant medication in treating ADHD, we explain more to the child about medication and how it works.

Learning to slow down in our fast-paced society is so difficult, but lately I ' ve been realizing just how important it really is. Some of the last few posts I ' ve written in this blog have been less focused on tips, advice, and other forms of useful content that I ' ve always felt a lot of pressure to produce.

~~How I'm Learning to Slow Down (and How You Can, Too ...~~

The most meaningful advice for anyone having trouble getting their life under control is to simply slow down. The stress of always being in a hurry drains your spirit, distracts your mind, and prevents you from focusing on what is really important. It fools you into wasting time in areas that don ' t reflect your values or your goals.

Our society might be moving a mile a minute, but we can take a few precious moments to slow down to get in tune with God, in touch with ourselves, and in relationship with others. And, I suspect, as we do this, our communities, workplaces, homes, and social circles will begin to look drastically dif

Before learning how to slow down again, I had relentlessly courted inspiration. The feelings weren't mutual. I lunged; it fluttered away. I pounced—it ducked. The harder I tried, the more persistently I created notes, Google Docs or bullet journals (each time proclaiming IDEAS in caps, with an exclamation mark afterwards for good measure ...

~~How Learning to Slow Down Helped Me Become More Creative~~

Learning to slow down and pay attention. I highly recommend this book for your child if he/she has ADD. My son and I read this together. I liked the checklist the the child can check off how he feels and how he felt how others viewed him.
