This lecture note is prepared primarily for health officer students, and is organized based on the course outline of introduction to public health in the curriculum of health officers. Nevertheless, the lecture note is deemed to be useful for almost all degree and diploma health science students in the University and elsewhere in the country.

Introduction to Public Health - Carter Center  
The NHS Library has an excellent collection of up-to-date detailed notes on the management of common problems in Primary Care. These are referred to as Clinical Knowledge Summaries and can be accessed free at [www.cks.library.nhs.uk](http://www.cks.library.nhs.uk). They used to be known as Prodigy and are designed primarily for GPs to use during their consultations.
