Lemon Jail shows what it’s like to keep the band on the road and the wheels on the van—and when to just close your eyes and hit the gas. That first van, dubbed the Lemon Jail by Bill, takes the now legendary Replacements from a south Minneapolis basement to dive bars and iconic rock clubs to college parties and eventually an international stage.

Lemon Jail is nothing more nor less than what it presents itself as: 160 pages of stories about what you see and do when you're the Replacements' roadie. Sullivan cuts right to the chase: literally by page one, the 'Mats are huddling in the back of the eponymous Ford Econoline, shivering, smoking, and relieving themselves on the chicken bones accumulating in the door well.
