Lesson Introduce The Elements Of Biographies

Introduction and presentation go together because the introduction usually leads right into the presentation phase of the lesson. They are still separate parts, however, because they accomplish different purposes. The INTRODUCTION provides interest and motivation to the students. It focuses students' attention on the lesson and its purposes.

The voice and body are used to communicate stories and ideas.

Easy ways to introduce the Elements of Dance in the ...
The objects in the set are called its elements. Set notation uses curly braces, with elements separated by commas. So the set of outwear for Kyesha would be listed as follows: $A = \{\text{coat, hat, scarf, gloves, boots}\}$, where A is the name of the set, and the braces indicate that the objects written between them belong to the set.
