Content . . . That Works

I know Ginny writes about websites, but her principles also work on paper, because everyone needs to practice "Letting Go of the Words" in favor of more visual representations aimed at the

Access Free Letting Go Of The Words Writing Web

audience. When my adult learners ask for documentation of the principles that I teach, I always send them to Ginny's book.

ScienceDirect Works

A great way to let go of the words without losing essential meaning is to use lists and tables. Lists put active space around each item so that people can skim through the information.

Access Free Letting Go Of The Words Writing Web

Tables take away words that are not necessary and let people easily scan for what they need.
