Living The Brand Nicholas Ind

If the staff member uses non-reinforcing behaviour, the brand suffers. Nicholas Ind uses very powerful examples to bring home this truth, and other truths, about Living the Brand - a very worthwhile and insightful book.

Living the Brand: How to Transform Every Member of Your ...

Brands are defined by people. It is employees who determine how an organisation is seen and customers who decide when to start and terminate their relationship with the brand. This suggests that the interface between employee and customer (and other key audiences) is fundamental to either building or destroying brand value.
