Jimmie F. Rodgers - English Country Garden Lyrics - Genius

A formal English garden is able to use classic elements of style in a small outdoor space in Toronto, Canada. Designed by Arbordale Landscaping, hardscape is used to create structure and symmetry, while elements like informal plantings, containers, and furnishings add interest to the garden. Classic boxwood hedging and lawns emphasize the geometric lines of the space, while seasonal flowers in pots add color and can be changed out as needed.

The English landscape garden, also called English landscape park or simply the English garden, is a style of "landscape" garden which emerged in England in the early 18th century, and spread across Europe, replacing the more formal, symmetrical jardin à la française of the 17th century as the principal gardening style of Europe. The English garden presented an idealized view of nature. Created and pioneered by William Kent, the "informal" garden style originated as a revolt against the ...
