~~Microsoft Lync 2013 | Download Lync 2013 | Microsoft Office~~

As the name suggests, Skype for Business has the look and feel of Skype, with things like IM, voice and video calls, and online meetings. But underneath has the functions of Lync for business...

~~What has changed now that Microsoft's Lync is Skype for ...~~

You can run Skype for Business Server 2015 in the same topology as Lync Server 2013 or Lync Server 2010, but you can't have all three in the same topology. If you have a co-existence between Lync Server 2010 and Lync Server 2013, it is recommended to upgrade the entire topology to Lync Server 2013, and then upgrade to Skype for Business Server 2015 using the In-Place Upgrade.

~~Plan to upgrade to Skype for Business Server 2015 — Skype ...~~

Find and manage updates for Skype for Business Server 2019, Skype for Business Server 2015, Lync Server 2013, and Lync Server 2010 in one place. Use the links on this page to get more information about updates, and then download the updates. For the latest Skype for Business Online and Microsoft 365 updates, see the Microsoft 365 Roadmap.

~~Skype for Business Server updates — Skype for Business ...~~

The Meeting Update Tool for Skype for Business and Lync helps you update your meetings when your account switches servers or when it upgrades from Lync to Skype for Business. This tool finds your meetings with old links and automatically sends updated invitations to the participants so they can join your meetings.
