xii, 299. \$22.95.) In this study of lynching, the author focuses on minority groups—Native Americans, Hispanics, and Chinese—who were, similar to African Americans, particularly in the South, victims of lynch mobs in California between 1850 and 1935. Ken Gonzales Day argues that white supremacy, racism, and bigotry were

Lynchings in the United States first became common in the Southern United States in the 1830s, 1840s, and 1850s, at which time most of the victims were white men.

Lynchings of black people rose in number after the American Civil War during Reconstruction; they declined in the 1930s.
