Having finished the third year at the FBI Academy, Agatha is now a Probi and allocated to the Magical Crimes division of the FBI, all one of it being run by a mundane guy called Jack Dalton. And the first case turns out to be quite a humdinger involving the theft of a movie starlet's necklace under circumstances that indicate the use of magick (not magic).

The Federal Witch Summary. This is the first box set of the series. Imagine a world where witches, weres, and vampires work among us. The paranormals came out to the world during World War I. History as we know it took a left turn as world events changed. World War II never happened as we remember it. The Empire of Japan still exists.
