MAINTENANCE ENGINEERING HANDBOOK Sixth Edition The latest science, technology, and management solutions for facility maintenance issues The one reference you can bank on for current answers to virtually any maintenance question, Lindley R. Higgins! and R. Keith Mobley!is Maintenance Engineering Handbook provides the best of today!s strategies and technologies from the world!s leading experts.

Maintenance engineering handbook: Higgins, Lindley R ...
The textbook it's self appears to be full of very good information to determine how to set up a maintenance system within a company. The text uses He and Man instead of the more PC gender neutral terms often found in literature today. The reason why I give 2 stars instead of 4 or 5 is the text book is falling apart.
