Mama Learned Us To Work

"Mama Learned Us to Work" focuses on the hopes, dreams, and immense resourcefulness of southern rural women, who were at the center of sweeping rural transformation. (Pete Daniel, National Museum of American History)"

Mama Learned Us to Work: Farm Women in the New South ...

Mama Learned Us to Work Farm women of the twentieth-century South have been portrayed as oppressed, worn out, and isolated. Lu Ann Jones tells quite a different story in Mama Learned Us to Work. Building upon evocative oral histories, she encourages us to understand these women as consumers, producers, and agents of economic and cultural change.

Mama Learned Us to Work | Lu Ann Jones | University of ...

Mama Learned Us to Work challenges scholars to rethink how market participation is defined as well as how all producers are positioned in the southern economy. . . . [And] to reconsider how local and regional demands accommodated women's entrepreneur interests. . . . Valuable for students interested in labor, rural, and women's history.--

Mama Learned Us to Work: Farm Women in the New South - Lu ...

In Mama Learned Us to Work, Jones examines farm women's lives in the New South and the importance of those women to farm families particularly and the southern economy generally. Jones aptly argues "that commodities like tobacco and cotton were the bricks of the southern farm economy, but the products of women's labor were often the mortar that held it together" (p. 79).

Plus, the "teachers" aren't fun, they talk like robots, when I went to my first lesson, I could already tell I wasn't going to learn ANYTHING. everything I "learned" I've already forgotten. Math is my most hated subject on Edgenuity, they "teach" me things like if I knew them science I was a baby. thinking everything makes sense to us.
