Management Accounting: Information for Decision-Making and ...
Managerial Accounting helps students see how managerial accounting
concepts are used in business to make decisions. By presenting actual
accounting decisions made in companies like Target and Macy's, the
text's precise coverage of the core concepts better engages students
in the content. With a new focus on data analytics and new problems
and applications in the 6th Edition, students receive the most up-to-
date information and practice opportunities to prepare them for their
future ...
