6th Edition Managerial Accounting Hartgraves

Managerial Accounting helps students see how managerial accounting concepts are used in business to make decisions. By presenting actual accounting decisions made in companies like Target and Macy's, the text's precise coverage of the core concepts better engages students in the content. With a new focus on data analytics and new problems and applications in the 6th Edition, students receive the most up-to-date information and practice opportunities to prepare them for their future ...
