Fool for Love (Gansett Island Series, Book 2) By Marie Force Chapter 1. The phone call Joe Cantrell had waited half his life to receive came in around nine on an otherwise average Tuesday evening. He'd put in a twelve-hour day on the ferries, done four round-trips to the island, and had just sat down to eat when his cell phone rang.

So far Marie Force is two for two with insanely sweet and besotted heroes who will do whatever it takes for their women. Joe has been in lu-hove with Janey forever despite the fact that she's been with her yucky fiancee for way too many years. Janey catches said yuck in bed with another woman, and THAT IS IT.

Would you try another book from Marie Force and/or Holly Fielding? I don't think I would try another book from these authors. The story was nice, although predictable, but the sex scenes were way too detailed and unnecessary. Has Fool for Love turned you off from other books in this genre?
