A case study is a detailed story of something your company did. It includes a beginning -- often discussing a conflict, an explanation of what happened next, and a resolution that explains how the company solved or improved on something. A great case study is also often filled with research and stats to back up points made about a project's results.

A marketing case study allows you to illustrate and explain how you achieved enormous success in a specific situation. For instance, last year, Jacob McMillen wrote about how Pronto used Crazy Egg to increase leads by 24 percent. That's a big number. It's not a full case study, but it demonstrates the goal of a marketing case study. You want to shock your audience, then explain exactly how you achieved your results – preferably with proof.
