Men of property : the very wealthy in Britain since the ...
Men of Property, the first book by an historian to examine and analyze who the very rich in Britain really were, first appeared in 1981 and has had a wide influence. It is credited with helping to shape the so-called "Gentlemanly Capitalism" school of economic historians, which has heavily affected our notions of economic growth in modern Britain.

My first read of 2015, was also the first book in one of my year-long reading challenges. The Man of Property is the first book in The Forsyte Saga. I have read the first volume of The Forsyte Saga before, a very long time ago, but so many years and so many books have flowed under the bridge since then, that I had little memory of it.

The Man of Property by John Galsworthy - Goodreads
Directed by Duncan Wood. With Wilfrid Brambell, Harry H. Corbett, Norman Bird, Hilda Fenemore. With the lease on their house about to run out Steptoe and Son visit their local bank manager to arrange a loan

and over-draft facilities. He is quite agreeable but insists they wine and dine him and his wife at an expensive local restaurant. Harold gets ever so slightly overdrawn as a result of ...

THE MEN OF NO PROPERTY - Lyrics, Playlists & Videos | Shazam

It follows then that God too had ordained private property: by the “will and grant of God ... man’s property in the creatures was founded upon the right he had to make use of those things that were necessary or useful to his being.” It would not be the first time someone has called upon God to justify a rather dubious position. The advantage for Locke’s own myth is that it means labor is of the created order, but the disadvantage is that he has not as yet faced up to the Fall.

John Locke, the Fall, and the Origin Myth of Capitalism ...

‘Women are the property of men’ Rabbi Pete Tobias takes a controversial topic from Jewish texts and applies a Liberal Jewish response By Rabbi Pete Tobias October 9, 2020, 12:48 pm Edit

The Bible Says What? ‘Women are the property of men ...

Depending on the nature of the property, an owner of property has the right to consume, alter, share, redefine, rent, mortgage, pawn, sell, exchange, transfer, give away or destroy it, or to exclude others from doing these things, as well as to perhaps abandon it; whereas regardless of the nature of the property, the owner thereof has the right to properly use it (as a durable, mean or factor, or whatever), or at the very least exclusively keep it.

Property - Wikipedia

Though the earth, and all inferior creatures, be common to all men, yet every man has a property in his own person: this no body has any right to but himself. The labour of his body, and the work of his hands, we may say, are properly his.

Second Treatise of Civil Government, by John Locke 1690

These marriage and property laws, or "coverture," stipulated that a married woman did not have a separate legal existence from her husband. A married woman or feme covert was a dependent, like an underage child or a slave, and could not own property in her own name or control her own earnings, except under very specific circumstances.

Women and the Law

In OUT OF OUR PAST, Carl Degler writes, The men who engineered the revolt were largely members of the colonial ruling class. George Washington was the richest person in America and John Hancock, Benjamin Franklin, Thomas Jefferson were all very rich men.

The Constitution: A document of, by, and for the rich for ...

Wherever there is great property there is great inequality. For one very rich man there must be at least five hundred poor, and the affluence of the few supposes the indigence of the many. The affluence of the rich excites the indignation of the poor, who are often both driven by want, and prompted by envy, to invade his possessions.
