Meridian is a 1976 novel by American author Alice Walker. It has been described as Walker's "meditation on the modern civil rights movement." Meridian is about Meridian Hill, a young black woman in the late 1960s who is attending college as she embraces the civil rights movement at a time when the movement becomes violent.

~~Meridian (novel) - Wikipedia~~

Though Alice Walker has worked in a variety of genres, including children's literature, poetry, nonfiction, and screenwriting, she is best known for her novels, which give voice to the concerns of an often doubly oppressed group: African American women.

~~Meridian by Alice Walker - Goodreads~~

Alice Walker's second novel, 'Meridian' (published 1976), is huge in scope but well-orchestrated and written, and she compresses a 25-year span into just 242 pages. 'Meridian' is tricky to get into. It's not at all that clear what's what & who's who to begin with & it would be easy to put the book down without going quite far enough to hold your interest. Persevere though, and you are rewarded ...

Set in the American South in the 1960s it follows Meridian Hill, a courageous young woman who dedicates herself heart and soul to her civil rights work, touching the lives of those around her even as her own health begins to deteriorate. Hers is a lonely battle, but it is one she will not abandon, whatever the costs. This is classic Alice Walker, beautifully written, intense and passionate.
