Transformative learning causes a change in thinking after digesting information. The student must make the connections within himself to create this new awareness.

Knowledge then becomes a part of the student as he begins to make new associations and own it for himself.

~~Mezirow's Transformational Learning Theory~~

The Transformative Learning Theory has three fundamental components that facilitate the learning and transformation of adults in the business environment. These are critical reflection, the centrality of experience, and rational discourse. 1.
