Why People Choose Mindset We, in Mindset Study Campus, believe in excellency. We have studied the DNA of WBCS examination conducted by WBPSC and come up with some shocking and astonishing facts which were kept secret to all by all other institutions for unhealthy purpose. We fail because most of us remain unaware exactly what WBPSC wants from us.

Mindset Study Center

Teachers took part in a Mindset book study the first year of implementation, and completed the MindsetMaker™ online professional development the second year. While state test scores in math remained stagnant, Fiske Elementary saw amazing growth, which they attributed to a growth mindset teacher practices and culture shift.

The guide has been designed for teachers to use in the process of self-reflection, or for coaches or administrators to use to encourage a mindset teaching culture. In the interactive version of the guide on this web page, you can click on the arrow buttons in the Expanding descriptors to see a short extract of Jo/Cathy teaching in the ways described. Our goal for the guide is to support a mathematical mindset journey of learning and growth.
