MOT Testing Guide: Discipline

The MOT test is an annual test of vehicle safety, roadworthiness aspects and exhaust emissions required in the United Kingdom for most vehicles over three years old used on any way defined as a road in the Road Traffic Act 1988; it does not apply only to highways but includes other places available for public use, which are not highways. In Northern Ireland the equivalent requirement applies after four years. The requirement does not apply to vehicles used only on various small islands with no c

MOT test - Wikipedia

What are the procedures to become a MOT tester? To inspect a vehicle for MOT test you must be a qualified MOT tester, which requires passing or holding a Level 3 qualification recognized by the DVSA (Driver and Vehicle Standards Agency).
