If your autistic sibling is slightly older than you, you will probably find their behavior as normal, since you lived with them since you were born. However, other people will feel sorry for you, saying things like "Oh, I'm so sorry your brother is autistic," while others will dote on them, talk over them, or avoid them.

From a young age, I almost relished my brother ' s autism. People would say to me: "you're so mature, you cope so well, you're so brave". I thought his autism was a gift for me that would help me develop as a person and it hadn't crossed my mind that his autism would ever become something I was ashamed of.

My Brother is Autistic describes a condition that affects many families. Medical experts are just beginning to understand varying degrees of autism and its impact on both the autistic child and his family. This book describes an autistic child from his brother's point of view.

My Brother is Autistic (Let's Talk About It! Series ...

This book doesn't address any issues that might arise at home. The main focus is how embarrassed the sibling is of her brother's autism. Not only does it ignore the why's and what can we do, children with autism are further belittled when an actual statement from the book reads, "Autism can't be cured, and that's why everybody in the family has to learn to share the problem".

My brother, Christos, was diagnosed with autism when he was two. We grew up in Cyprus and our parents were extraordinary and even though no one prepares you for an autism diagnosis, they made it seem effortless. Living with autism is enthralling; so much so that the daily obstacles we encountered became our life.

My Brother Is Autistic Lets Talk About It Books

Sibling C is living with a brother who is brilliant, quirky, and extremely anxious. On the one hand, Sibling C's autistic brother is already programming video games at age 8. On the other hand, this same brother is very anxious, has extreme sensory challenges, and finds it physically painful to be in a mall, a movie theater, or even a family gather.

Challenges of Having a Sibling on the Autism Spectrum

I hate my autistic brother. I know this makes me a horrible person, but I just hate my little brother who is autistic. He is ten years old, and was diagnosed eight or nine years ago, I believe. Life has been hell for my family ever since. When he was younger, he tended to sh*t (Excuse my language) on the floorboards, and he still can't go to the toilet without supervision.
