HERE works directly with automotive manufacturers to ensure that each map update integrates seamlessly with your vehicle's navigation system. Designed to increase efficiency and optimize your system's performance, all map updates include new and modified roads, points of interest, addresses, signage and more.

*Navigation Map Update / GPS Navigation System / HERE ...*

Certain models of Chrysler vehicles come equipped with a navigation system. This feature, a part of the vehicle's multimedia system, can provide step-by-step directions to the destination of your choosing. You can also select a point of interest and choose for a list of pre-programmed popular destinations.
