NAVAIR and NAVSEA Technical
Manuals are largely distribution
restricted and issue controlled. Each
Command has designated an
organizational component to manage
and control access to these resources.
The majority of technical manual
issuances are available on-line, but
only to approved users. Access
requests should be directed as follows:

complete manual is often referred to
as a set of NSTM because of its
multichapter composition. However,
each chapter (or volume of a chapter)
has a dif-ferent title (topic) and bears a
unique publication ordering number,
since individual chapters are also
requested.

“The Tech Library is a research
center, staffed with subject matter
experts in the art of research,” said
Jon Dodd, NSWCCD Technical Library
Branch head. “We offer access to
