Spare parts for Y61 frame Nissan Patrol – Auto parts The off-road Nissan Patrol operates from 1951 as a pick-up or station wagon and first got its name only 1960. The car was known in Japan under the name Nissan Safari until 1980. The models always had leaf springs until 1980 and were for the first time completely fitted with coil springs only in 1988. Further on, the components of this typical and classical off-road vehicle were different ...

Engine oil for PATROL – high quality branded Car oil The fifth generation Nissan Patrol was the biggest and the best. Up there with the Toyota Land Cruiser in terms of its go anywhere ability, it was used by the United Nations and various army forces across the globe. Initially available with a 2.8-litre six-cylinder turbodiesel engine that was neither quick nor refined, things improved considerably in 2001 with the introduction of a 3.0-litre ...
